The European Society of Regional Anaesthesia and Pain Therapy (ESRA) is delighted to invite you to Paris in 2023 for the 6th World Congress on Regional Anaesthesia and Pain Medicine a Joint Meeting with its 40th Annual Congress

Dear Colleagues, Friends and Collaborators

The 6th World Congress on Regional Anaesthesia and Pain Medicine is coming back to Europe!!!

In 2022, the European Society of Regional Anaesthesia and Pain Therapy (ESRA) celebrated its 40th Anniversary since its establishment. Following the great success in Thessaloniki — Greece last June, during our first kick-off, face-to-face meeting since the pandemic, we have again the immense privilege and ultimate pleasure to invite you to **Paris**, for the **6th World Congress on Regional Anaesthesia & Pain Medicine (WCRAPM)**, hosted by ESRA this time.

Bringing together our continental Sister Societies, the American Society of Regional Anaesthesia and Pain Medicine (ASRA Pain Medicine), the Latin American Society of Regional Anaesthesia (LASRA), the Asian & Oceanic Society of Regional Anaesthesia and Pain Medicine (AOSRA — PM), and the African Society of Regional Anaesthesia (AFSRA), this event will be a **Joint Meeting**, held simultaneously with the **40th ESRA Annual Congress**. Another wonderful gathering has been planned and is scheduled to take place on **6th to 9th September, 2023, at Palais des Congrès de Paris — VIPARIS**, an iconic building and vast venue, just a few steps away from the most beautiful avenue in the world.

With more than 40 million tourists per year, Paris is the most visited city in Europe, with an endless list of historical «Must-Sees». The City of Light is forever renewing itself, expanding its offers and constantly improving its services, to satisfy the expectations of all its guests. A vibrant city full of culture, a city for pleasure and entertainment, everything you need to enjoy a great stay!

For this occasion, the organizers have been working hard to offer you a truly wonderful and unique Parisian experience. Paris is full of surprises and so is the Congress scientific content, unfolded in a **4-day Meeting, in more than 15 Parallel Rooms**. The Congress Scientific and Local Organizing Committees, embraced and supported by an extensive International Experts Group, have built an amazing **Scientific Program for both young and experienced Delegates**, with the substantial input and fruitful collaboration of the **Five Continental RA and Pain Medicine Sister Societies (ESRA, ASRA Pain Medicine, LASRA, AFSRA, AOSRA — PM)**. Altogether, striving to serve the needs of our community, have aimed to enlighten and engage you within a comprehensive and high-quality Scientific Program, fully packed with the most groundbreaking scientific achievements and evidence-based practice recommendations, delivered by **more than 200 well-respected international experts and KOL**, as well as the rising stars of the future, all serving on our faculty team.

Joining together an audience of more than **3.000 participants**, with a representation from **more than 100 countries** from all over the world, this is **Your Opportunity in 2023** to network, as well as to share and underpin the latest updates, advancements and leading—edge research and innovation across the spectrum of **Regional Anaesthesia (RA), Perioperative Care, PoCUS**, as well as **Acute Postoperative & Chronic Pain Management**.

Paris' monument-lined boulevards, museums, classical bistros and boutiques are enhanced by a new wave of multimedia galleries, creative wine bars, design shops and tech start-ups.

Aiming to nurture, conduct and encourage interdisciplinary research in the aforementioned areas of interest, but also to fill in the gaps in Hands — On Training of the young generations, with applicability in daily practice, the Event Theme that has been selected for 2023 is:

«Spreading RA, Perioperative Care & Pain Medicine around the World: Our Topmost Priority»

Traditionally, the ESRA Annual Congress is included amongst the most influential Anaesthesia and Pain Medicine platforms for clinicians, researchers, scientists and industry representatives from all over the world, with its high scientific standard being recognized and highly rated by the Accreditation Council for Continuing Medical Education. In 2023, via **one Global Educational Event** under the responsibility of ESRA, our common goal is to provide multiple education opportunities, disseminated across all 5 continents. In this context, **the Focus of the WCRAPM 2023** will be to drive conversation and interactivity, deepen collaboration, accelerate promotion of science and networking, and encourage knowledge sharing, via state-of-the-art presentations on our fields, as well as by highlighting new insights into basic science, clinical research and therapeutic interventions.

This Meeting Format will again encourage an active interplay in between faculty and delegates, framed by your input, commitment and pro-action. Accordingly, the Scientific Program will comprise of:

- Networking Sessions and Symposia
- Plenary Experts' Panel Discussions
- Instructional Refresher Course Lectures
- PRO CON Debates
- Ask the Expert Interactive Sessions
- Second Opinion Discussion Sessions
- Tips & Tricks Sessions
- Problem Based Learning Discussions (PBLD)
- Luncheon Sessions
- Complex Case Discussions
- Audience-Submitted Content / Q&A
- Hands-On Clinical & Cadaver Workshops
- Trainees Sessions
- LIVE Demonstrations on Models
- LIVE Demonstrations with Streaming from OR
- 360° Open Space Simulation Courses — Sessions

In addition, the 2023 WCRAPM will deliver multiple exciting learning opportunities specifically designed for Residents, Trainees and Fellows, including but not limited to Free Papers and E—Posters Sessions. All are cordially invited to submit their work for inclusion in the Best Free Paper and Best E—Poster Abstract Award Competitions on RA and Chronic Pain Management, as well as in the Best RA, Pain Medicine and PoCUS Video Contest. Moreover, a busy large exhibition area will be available, not only for E — Posters viewing & discussion, but also for the presentation of latest innovations from our industry supporters. Finally, written and oral exams of the well—established EDRA and EDPM ESRA Diplomas will take place in parallel with the congress main scientific program, or as a pre-congress activity. Last but not least, a variety of social activities and unique networking events will be organized, such as the Congress Opening Ceremony & Welcome Session, followed by an exceptional Networking Reception, the Networking on The Run (well known as FUN run), the Trainees & Diplomates Reception, the Annual Networking Dinner & Celebration, and the Farewell Reception at the end of the congress, all befitting in Paris, our ideal location.

Counting on your support, enthusiasm and fruitful participation, together with all five continental Sister Societies, we are preparing another inspiring congress, and we are excited to have you all along our side! On behalf of the organizing team, we look forward to sharing and interacting with our colleagues across the globe and meet you all in the «City of Light», in September 2023, for another memorable experience

World Congress on Regional Anaesthesia & Pain Medicine (WCRAPM)

- Held every 4 years
- This is the 6th time all 5 Continental RA & Pain Medicine Sister Societies have convened for this very special meeting
- Coming back to Europe since its establishment and first organization by ESRA, in Barcelona, Spain in 2002

THE REASONS WHY WE DECIDED TO ORGANIZE THIS WORLD CONGRESS IN PARIS...

- Paris has a prominent place on pretty much every traveller's bucket list!
- Who doesn't want to ...
 - have a romantic walk, lulled by the sound of the Seine?
 - wander the sidewalks of Avenue Montaigne and be carried away by the glamour of fashion at its highest?
 - feel the explosion of flavours of French Cuisine, whispered with a French accent?
 - feel the wonder of Paris skyline from the top of the Eiffel Tower?
 - astray through the squares and small streets full of artists ready to paint your caricature?
 - feel the buzz of the French capital and be bewitched by the charm of the tingling lights?
 - feel the butterflies in their stomach driving the around on electric trolleys?
 - visit the most famous museum in the world and marvel at La Mona Lisa?
- Paris is...
 - an easily and accessible city, either by plane, train or bus
 - affordable to every pocket
 - the stage for so many stories, dramas, comedies, famous characters and personalities
 - the centre of unsurpassed events of the History of Humanity

**And now, ESRA will make History again, the 6-9th September 2023, by hosting the WCRAPM!!!
